

NETWORKING & LEARNING APERO

Eat – Meet – Discover

Everything you always wanted to know about the EuRA Global Quality Seal but never dared to ask!

Following the great success of our Lunch&Learn in Geneva in September and due to increasing relevance of quality certification for our client companies and RMCs, SARA is offering a special learning & networking event:

On **Wednesday, November 15th 2017 from 5 pm to 8 pm**

At **Belvoirpark, Seestrasse 125 – Zurich**

Come and join us for this **perfect networking and learning opportunity.**

We will first listen to a presentation and participate to an interactive workshop where some of our EGQS and/or ISO certified members will be answering all the questions you might have about quality certifications (costs, time investments, difficulties, advantages, long term perspectives, EuRA and SARA expectations, etc.), then we will all share a stand-up networking apéro with finger food.

Our targeted audience are managers and leading teams of relocation companies, quality managers, as well as SARA affiliate members and potential new members.

FEES:

Costs per participants: CHF 45 for members
 CHF 55 for non-members

Cash only at entry. Please bring change.

Registration by email to contact@sara-relocation.com until November 10th at noon.
Cancellation after November 10th at noon will be billed.
